Day of Caring

September 19th was the local Day of Caring, where volunteers came together to refresh and beautify the Rec Center grounds. Thanks to their hard work, fresh mulch now surrounds the playground, volleyball court, and front garden beds, bringing new life to spaces our community cherishes. We extend our sincere thanks to Ron Lyons Trucking for their generous discount for the mulch, which made this revitalization possible. We're also incredibly grateful to the dedicated volunteers, especially the spirited group of high school students, whose teamwork and enthusiasm brought fresh energy to the project.

Fall Family Fun Day

On Saturday, September 27, the Rec Center grounds came alive with friendly competition and community spirit during our Fall Family Fun Day. Families from across the region joined us for an afternoon packed with activities, from the cornhole tournament to pickleball lessons and games while some enjoyed our new walking path created and donated by Clark Jeffers and crew. Kids enjoyed the day with face painting, a bounce house, and playground fun, while caregivers appreciated the baby changing and nursing tent provided by the WOMB Initiative.

We're grateful to the Colebrook Ski Bees for keeping everyone fueled with refreshments and to The Porch on Main for their delicious lemonade and charcuterie stand.

The donations and raised funds to support our exciting plan to build

a new sliding hill for winter fun. A special thank-you goes to the Northpoint CTE Hospitality students, whose creativity and hard work helped promote the event through advertising and marketing. Their support played a key role in bringing families together for a day to remember.

Thank you to the vendors, sponsors, and everyone who came out to celebrate the season, strengthen community ties, and support the Rec Center's next chapter. You made the day unforgettable!
